

# Canute Carries Off Kable Stake In Three Straight Heats

## MAKES NEW MARK IN THE 2:24 PAGE

Big Bay Stallion Goes Mile in 2:10 1/2 in First Heat—County Trot to M. L.

By Neil B. Welch.

The bay stallion, Canute, carried five other pacers around the track at a fast clip in the 2:24 pace for the Kable restaurant stake of \$1,000, won the event in straight heats and set up a new track record of 2:10 1/2 at Springbrook park yesterday afternoon, the opening day of the five day race meet in connection with the Inter-State fair, M. L., a South Bend mare, took the county trot in three heats and Axie J., driven by her owner, C. W. Anderson of North Manchester, took the 2:20 trot in the same way.

Setting a pace in the first heat that was too dizzy to be kept up, Canute won the heat in 2:10 1/2, exceptionally fast time for a 2:24 pace. This establishes a new mark for the track, South Bend Girl having made the former record in the same race last fall. Durbin Direct had the pole in the first heat, but Canute went into the lead at the start. At the quarter pole he was a half length back of Crystal Knight and the two were about in the same position at the half. Crystal Knight driven by H. H. Overly, was leading at the three-quarters and the others were in a procession. Canute and Crystal straightened into the stretch on even terms and Canute went past the finish a half length to the good.

Crystal Knight Takes Lead. Crystal Knight took the lead in the second heat, but on the back stretch Canute closed in and at the quarter Overly's stallion was about a length in the lead. Canute followed him down the stretch with Durbin Direct on his heels. They were even at the three-quarters, but Crystal Knight broke and Canute and Durbin went in. The Crystal horse recovered in nice shape and Overly used the whip on the stretch, but Canute won.

Again in the third heat Crystal Knight went out in front and led at the quarter. They came in a procession at the half with Crystal Knight leading and Canute, Durbin Direct, Touch Me Not and Realism following in order. They were the same way at the three-quarter pole, but Canute pulled up, came into the stretch even with Crystal Knight and won by a length.

Axie Wins By Head. Ralla Hall drew the pole in the first heat of the 2:20 trot for a \$500 purse, but broke on the getaway and Axie J. went into the lead. Anderson's mare was fighting it out on even terms with Allen Boy at the quarter and at the half Allen Boy had a slight lead. On the back stretch Axie J. came up and had a half a length lead at the far turn. Allen Boy pushed his rival hard and Axie won only by a head.

Axie J. and Allen Boy fought a great battle in the second heat and made the fastest time of the race, 2:15 1/4. They were about even at the quarter and came past the stand on the first round nose and neck. They made the half in 1:07 1/2. Axie broke just as they rounded the turn, but recovered and won the heat with Allen Boy a close second. Mohayna and Alla Hall followed.

They went away in the third heat with Ralla Hall trailing, Axie J. went ahead, but Allen Boy was even at the half, which was done in 1:10 1/2.

64 2-4. The pace slowed down in the second half and Axie J. came in a winner in 2:15 1/4.

M. L. had things all her way in the first two heats of the 2:25 county trot when she was making a good, steady race, but she broke soon after the start of the third and was given quite a race for the money. She had a lead of two lengths at the half in the first heat after Laura T. and Baron Princeton broke at the turn. Alto Girl and Laura T. were pressing at the three-quarters, but she came in a good winner.

M. L. set a fast pace in the second and the heat was a fast one. 2:30. M. L. went out in front and had a lead of three lengths at the quarter. Roy Line, riding behind M. L., let her out and at the three-quarters she had a lead of a few lengths which was not cut down very much.

For the first time in the race M. L. broke shortly after the start of the third heat and Laura T. went ahead. By the time they came into the stretch the first time around, M. L. was even. Cullen could not keep Laura T. on her feet and M. L. went into the lead. Baron Princeton closed in from behind on the back stretch and there was a pretty race when they to the stands. King pushed his entry, but M. L. won by a nose.

## MAKES MILE IN 2 MINUTES FLAT

Lee Axworthy Shatters Own World Trotting Mark at Syracuse Track.

SYRACUSE, N. Y., Sept. 13.—Lee Axworthy, world champion trotting stallion, lowered his own world's record at the New York state fair grand circuit meeting Tuesday, going a mile in two minutes flat. Paced by two running horses, the son of Guy Alexander never faltered, trotting each of the four quarters in exactly thirty seconds. Axworthy's former record was 2:00 1/4. Under perfect weather and track conditions his driver, Ben White, essayed to break the track record of 2:01 1/4 held by The Harvester and he also shattered the world's record.

St. Frisco capably handled by Geers won the \$10,000 Empire state stake in three straight heats. The event attracted nine starters, among others the famous Mabel Trask, who was the favorite. St. Frisco set a new record for the race in the second heat which he made in 2:03 3/4.

WHY MANY OF HORSES ARE SCRATCHED AT FAIR

When starter Scholler gives the word for the racers to go this afternoon, there will be but four out of an original twelve, that will start. Yesterday's races were of a similar nature, for in the big Kable stake race, there were only five out of thirty-two entries that entered the race. There was also a decrease in the number of contestants in the minor races of today, just as there was yesterday.

This is explained by the race officials as being caused by the fact that many of the horses entered, are in a class far below some of the other horses. The owners, realizing that their animals are hopelessly outclassed have withdrawn from the events.

## Yankees Have New Home Run King

WALTER PIPP. BIRMINGHAM SERVICE

NEW YORK, Sept. 11.—The hopes of the Yankees in the matter of acquiring the national league pennant have gone flimmering, but one distinction is likely to rest with the New York team by the time the season is ended. Walter Pipp, the rangy first baseman, in all likelihood, will be crowned the home run king of the season.

Pipp, already has 10 circuit clouts to his credit and his closest rival is J. Franklin Baker, who has but eight.
